Remarks

Welcome to this wonderful opportunity to live in Wellesley! This beautiful example of a classic New England Colonial is the epitome of charm and possibilities. Stunning examples of 1930's millwork detail, built with high degree of quality and elegance. Oversized hallway and detailed built-ins and dentil moulding. Gleaming hardwood floors throughout. Kitchen updated with stainless appliances and granite countertops. Situated on a wide corner lot with ample space to expand over time. Great Alba Road neighborhood within walking distance to all three schools, shops, and train stations. This quintessential charmer comes with a nicely finished rec room and full bath in lower level. Lovingly maintained over the years and now ready for the next family to make it their own.
